

OVERVIEW

» **equipment for mixing pumps - screed machines - plastering machines**

» **spare parts and wear parts for mixing and conveying pumps**

» **building supplies**

» rotors & stators - D-pumps - R-pumps for using with mixing and conveying pumps

D-pump-systems for using
with various mixing and conveying pump typesrotor stator D6 3, mf. standard, orange
DF-90503-90523rotor stator D6 3, mf. spiral, orange
DF-90503-90524rotor stator D4 3, mf. standard, green
DF-90502-90521rotor stator D8 1,5, wf. standard, yellow
DF-90504-90526R- pump-systems for using
with various mixing and conveying pump typesrotor stator R7 1,5 mf. UMP, V1 light grey
DF-90515-90550rotor stator R8 1,5 mf., orange
DF-90516-90551erection bar & flansch
DF-90685-90686assembling spray, slide spray for rotors stators
DF-90656

» equipment and accessories for mixing and conveying pumps

test kit for grouting compound
to check consistency
DF-90665

injection hood with monofilter without probe
DF-90635-oS

ejection part with swan's neck
DF-90681

injection hood with monofilter,
without filling level indication
DF-90856-oS-8200

double air compressor 400 V
with pressure switch-off
DF-80402-8000

without
depiction

water pressure pump 230 V
DF-91000

compression flansch for R-pumps
DF-10008

without
depiction

injection hood with monofilter and probe
DF-90635

» equipment and accessories for mixing and conveying pumps

electric cable 5 x 2,5 mm² 25 m, 16 A
DF-90600

erection bar & flansch
DF-90685-90686

electric cable 5 x 4 mm² 50 m, 16 A
DF-90601

assembling spray, slide spray for rotors stators
DF-90656

electric cable 3 x 2,5 mm² 25 m, 16 A
DF-90602

remote control cable, 15 m,
with switch on/off for gluing gun
DF-90603

remot control extension cable,
15 m for gluing gun
DF-90655

gluing gun for mortar
with 15 m remote control cable
DF-90638

» mixing pump equipment for plastering and rendering

 fine plaster spraying gun NW 25, short version
 DF-90607

 spraying cap 10 mm, conical
 DF-90640

 fine plaster spraying gun NW 25, short version
 with rotary coupling
 DF-90015

 spraying cap 12 mm, conical
 DF-90641

 fine plaster spraying gun NW 25,
 long version, cranked
 DF-90608

 spraying cap 14 mm, conical
 DF-90642

 fine plaster spraying gun NW 35, short version
 DF-90677

 spraying cap 16 mm, conical
 DF-90643

 setting gauge for air tube
 DF-90670-8200

 spraying cap 8 mm, standard
 DF-90609

 spraying cap 8 mm, conical
 DF-90639

 spraying cap 10 mm, standard
 DF-90610

» mixing pump equipment for plastering and rendering

spraying cap 12 mm, standard
DF-90611

spraying cap 14 mm, standard
DF-90612

spraying cap 16 mm, standard
DF-90613

spraying cap 18 mm, standard
DF-90614

» mortar hoses, water pressure hoses, air hoses and accessories

belt for mortar pressure hose
DF-90664

mortar pressure hose NW 25, 10 m
DF-90604

adapter coupling 35-/25 male
for mortar pressure hose
DF-90627

mortar pressure hose NW 35, 10 m
DF-90657

air hose 1/2", 5m, 2 x Geka
DF-90122

mortar pressure hose NW 35, 20 m
DF-90674

air hose 1/2", 10m, 2 x Geka
DF-90121

mortar pressure hose NW 35, 20 m
for mortar products with only one coupling
DF-90690

medium to lubricate the mortar pressure hoses
DF-90658

suction hose, 5 m for water pressure pump
DF-91002

mortar pressure hose NW 25, 5 m
DF-90668

» mortar hoses, water pressure hoses, air hoses and accessories

spraying nozzle 1/2" with Geka-coupling
DF-90617

cleaner coupling 25 male
with Geka coupling
DF-90626

water hose 3/4", 2 m, cpl. with couplings
DF-91001

water hose 3/4", 20 m, cpl. with couplings
DF-90605

water hose 3/4", 40 m, cpl. with couplings
DF- 90606

» tools for cleaning and machine care

hose cleaning sponge ball Ø 30 mm
DF-90621

hose cleaning sponge ball Ø 50 mm
DF-90622

spraying gun for cleaning
complete with couplings
DF-90653

round file, long version 5 x 270 mm
DF-90619

» rotors & stators - D-pumps - for using with UMP 1 mixing and conveying pumps

 D-pump-systems for using
 with UMP1 mixing pumps - Deutsche Foerdertechnik

 rotor stator D3 spray, mf. UMP, white green
 DF-90501-90520

 rotor stator D6 3, mf. V 1, zinc yellow
 DF-90503-90528

 rotor stator D3 special mf. UMP, rose
 DF-90503-90523

 rotor stator D6 3, mf. UMP V 2, beige
 DF-90503-90525

 rotor stator D4 3, mf. special, green
 DF-90502-special-90521

 rotor stator D8 1,5, mf. UMP V 1, light grey
 DF-90504-90529

 rotor stator D4 3 mf. UMP, sky blue
 DF-90502-90522

 rotor stator D8 1,5, mf. UMP V 2, pastel violet
 DF-90504-90532

 rotor stator D4 3 mf. UMP special, sky blue
 DF-90503-90523

» rotors & stators - R-pumps - for using with UMP 1 mixing and conveying pumps

R-pump-systems for using
with UMP1 mixing pumps - Deutsche Foerdertechnik

rotor stator R7 1,5 mf. UMP, V1 light grey
DF-90515-90550

rotor stator R8 1,5 mf., orange
DF-90516-90551

erection bar & flansch
DF-90685-90686

assembling spray, slide spray for rotors stators
DF-90656

» equipment and accessories for UMP 1 mixing and conveying pumps

 adapter UMP 1 compressor
 for separate circuit 230 V
 DF-90616

 without
 depiction

 fixing set for compression flange mounting
 DF-10005

 extension hopper for mixing pump UMP 1
 DF-90001

 wheel for UMP 1 machines
 DF-50007

 extension hopper protection grille, big
 for UMP 1
 DF-90002

 material container standard,
 exchanging container UMP1 L-Power
 DF-36029-8200

 fixing set for UMP 1 wheel
 DF-50014-50015

 mortar pressure gauge 35 mm 0-100 bar
 DF-10010

 set for fixing mixing chamber
 DF- 20008-20012

 transport container for mixing pump UMP 1,
 lockable
 DF-90682

 fixing set for locking mixing chamber
 DF-20004-20005-20012

» mixing shafts, dosing shafts, double mixing zone for UMP 1 mixing and conveying pumps

double mixing zone DMZ
DF-20013

**without
depiction**

mixing shaft UMP 1 standard orange
DF-20007

**without
depiction**

mixing shaft UMP 1 V1 silver
DF-20011

**without
depiction**

dosing shaft UMP 1 V1 orange
DF-30024

**without
depiction**

dosing shaft UMP 1 V2 black
DF-30001

**without
depiction**

dosing shaft UMP 1 V4 silver
DF-30028

**without
depiction**
